### THE GOLDFISH

The gaping goldfish in his bowl

I'm sure is happy on the whole:

He has that silly vacant look

Because he's never read a book.

ONE, TWO, THREE

Father caught a flea.

In came Billy

With his shirt hanging out.

#### HIDING

Behind this tree  
You can't see me,  
I've made myself thin  
So I can fit in.

I'm as still as a photograph,  
As quiet as a blink,  
I won't sniff or laugh  
Just quietly think.

Behind this tree  
You can't see me,  
I've made myself thin  
So I can fit in.

#### FOUR LITTLE TIGERS

Four little tigers

Sitting in a tree;

One became a lady's coat -

Now there's only three.

Three little tigers

Neath a sky of blue:

One became a rich man's rug -

Now there's only two.

Two little tigers

Sleeping in the sun:

One a hunter's trophy made -

Now there's only one.

One little tiger

Waiting to be had:

Oops! He got the hunter first -

Aren't you kind of glad?

#### Today's My Favorite Holiday

Today's my favorite holiday,  
a day to sing and dance and play,  
a day to laugh and jump and run,  
a day for having loads of fun.

Today's the day I celebrate.  
I'm overjoyed. I'm feeling great!  
I'll throw a party, have a ball,  
invite a friend, invite them all!

We'll play a game. We'll play a sport.  
We'll frolic, rollick, romp, cavort.  
We'll celebrate all over town.  
We'll party till the sun goes down.

Another favorite holiday  
just happened only yesterday.  
And, yes, tomorrow, strange but true,  
will surely be my favorite too.

You want to know how there could be  
so many holidays for me?  
It's simple. See, to qualify  
a day just has to end in "Y."

#### 9 YEARS OLD

Rachel make your bed up  
Rachel brush your teeth  
Rachel you'll get fat  
If you eat too many sweets

Rachel put your glasses on  
Rachel move your clothes  
Rachel you still go around  
As if you're 3 years old

What's that towel doing on the floor  
Rachel pick it up  
What's that underneath your bed, Rachel?  
A saucer and a cup

Biscuit crumbs, sweetie papers  
Books of every kind  
If I look under the blankets  
Heaven knows what I will find

Rachel it is way past nine  
Rachel go to bed  
Rachel have you listened  
To anything I've said

I say the same things every day  
But Rachel, do you hear?  
Rachel do you understand?  
Rachel do you care?

#### WINDY NIGHTS

Whenever the moon and the stars are set,

Whenever the wind is high,

All night long in the dark and wet,

A man goes riding by.

Late in the night when the fires are out,

Why does he gallop and gallop about?

Whenever the trees are crying aloud,

And ships are tossed at sea,

By, on the highway, low and loud,

By at the gallop goes he.

By at the gallop he goes, and then

By he comes back at the gallop again.

Robert Louis Stevenson
